

Règles du jeu

Vous devez placer des nombres dans les cercles en respectant les règles suivantes :

①

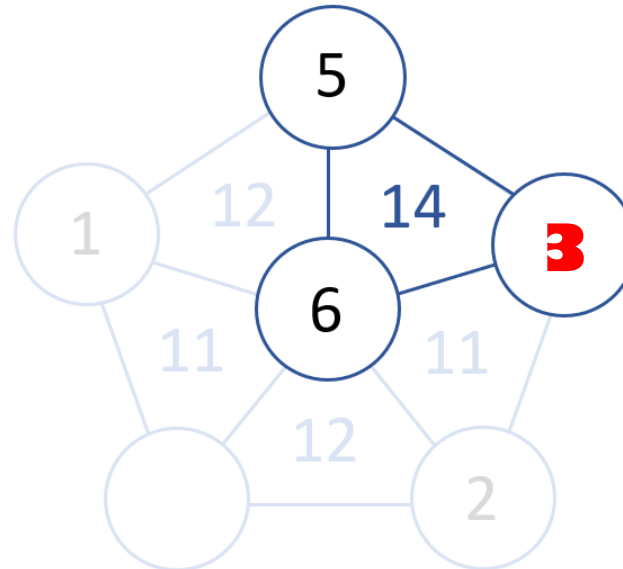

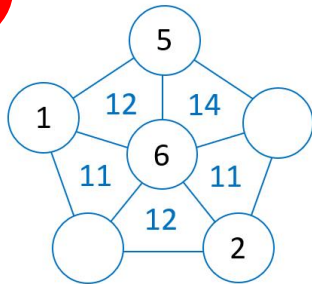

Tous les nombres inscrits en haut à gauche doivent se retrouver dans les cercles.

②

Le nombre écrit dans un triangle est égal à la somme des trois nombres placés à ses sommets.

1 à 6

$$5 + 6 + \boxed{?} = 14$$

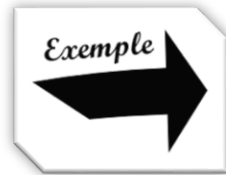

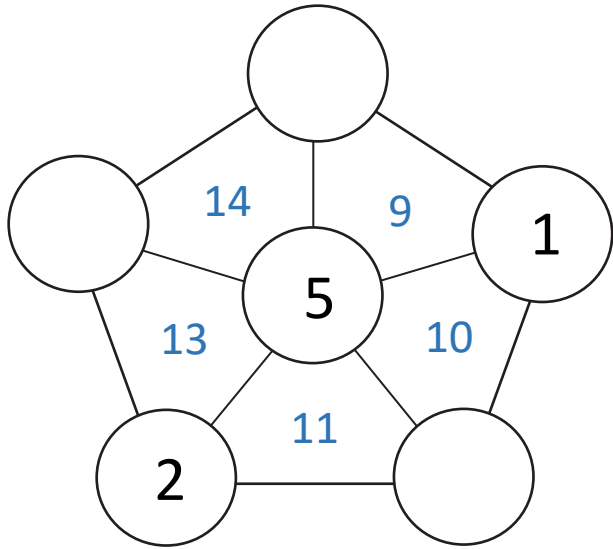

↓
3

Règles du jeu

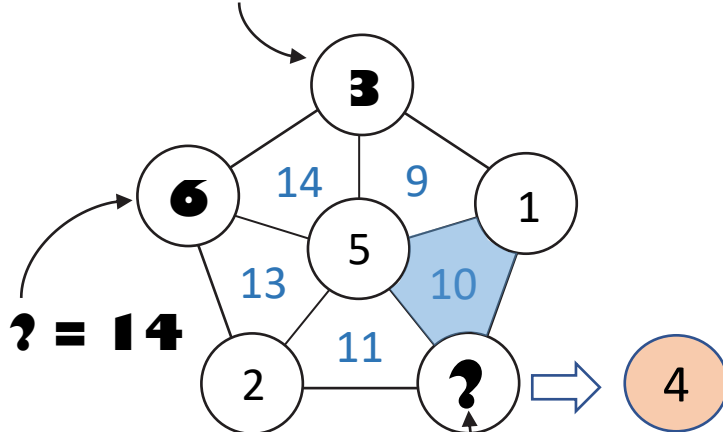

Certains nombres sont déjà placés.

$$5 + 1 + ? = 9$$

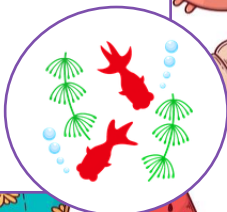

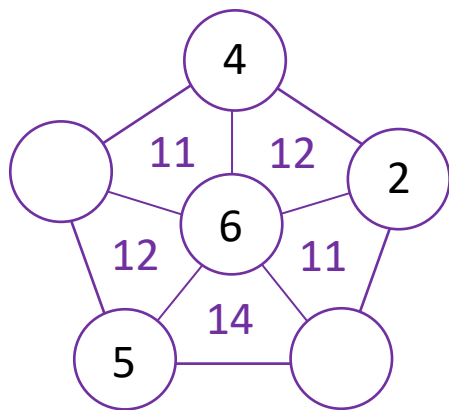

$$5 + 2 + ? = 14$$

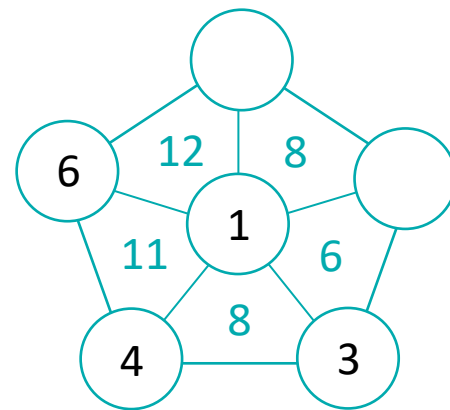

$$5 + 1 + ? = 10$$
